Question and answer

for public procurement of low-value service – dangerous goods inspector theory training course, Serial number JNMV-4/2018

Question 1

Item 6 - Bid Form & 7.1 Information about the Bidder

I am unsure what is meant by Identification Number of the bidder and Activity Code

Answer 1

In the Serbian commercial law Identification number is the number that Government assigns to a company on registration (different from Tax number).

If your company does not have Identification number please write N/A.

Activity Code is a code of predominant activity of the company (e.g. education, trade, real estate...), also assigned on company registration.

If your company does not have Activity Code please write N/A.
