

Operational Notice

OAM

Number: 07/2020
Date of issue: 19.03.2020.

Title:

Revalidation of the licences, ratings, certificates and authorizations of flight crew personnel and flight dispatchers

OAM applicable to:

Holders of flight crew and flight dispatchers licences which are issued by the CAD Republic of Serbia

In accordance with the new situation regarding the Coronavirus virus (COVID-2019), the decisions and recommendations of the Government of the Republic of Serbia, Article 14, paragraph 4 of the common rules in the field of civil aviation and establishing a European Union Aviation Safety Agency ("RS Official Gazette" No. 23 / 12 and 104/17) and by decision of the Directorate No 1/0-05-0017/2020-0009 valid from date 19.03.2020, regarding revalidation of licenses, ratings, certificates and authorizations the CAD will apply following decisions :

1. The period of validity of licenses, ratings, certificates and authorizations of flight crew and aviation dispatchers issued by the CAD of the Republic of Serbia shall be automatically extended for the period of 4 months from expiry date.
2. The period of validity of Class 1, Class 3 and cabin crew medical certificates shall be automatically extended for the period of 4 months from expiry date in the certificate, providing there are no limitations endorsed other than visual ones.
3. The period of validity of aeromedical examiner certificates with privileges to conduct aeromedical examinations and assessments for Class 1 and Class 3 shall be automatically extended for the period of 4 months from expiry date in the certificate.
4. This operational notice will apply to all licenses, ratings, approvals and authorizations as well as medical certificates that expire before 31.07.2020.

This operational notice is effective from 19/03/2020.

All holders of licenses issued by the CAD of the Republic of Serbia are obliged to carry this notice in print or electronic format so that they can exercise their privileges.
