

Based on Article 17(4), Article 239 and Article 265 of the Air Transport Law ("Official Gazette of RS", No 73/10, 57/11, 93/12, 45/15, 66/15 - other law, 83/18 and 9/20),
Director of the Civil Aviation Directorate of the Republic of Serbia hereby adopts

REGULATION

amending Regulation on occurrence reporting in civil aviation

Article 1

In Regulation on occurrence reporting ("Official Gazette of RS", No 142/20), in Appendix 1, Article 13 paragraphs 4 to 6 shall be amended worded as:

"4. Where an organisation established in a Member State which is not covered by paragraph 5 identifies an actual or potential aviation safety risk as a result of its analysis of occurrences or group of occurrences reported pursuant to Articles 4(8) and 5(6), it shall transmit to the competent authority of that Member State, within 30 days from the date of notification of the occurrence by the reporter:

- (a) the preliminary results of the analysis performed pursuant to paragraph 1, if any; and
- (b) any action to be taken pursuant to paragraph 2.

The organisation shall report the final results of the analysis, where required, as soon as they are available and, in principle, no later than three months from the date of notification of the occurrence.

A competent authority of a Member State may request organisations to transmit to it the preliminary or final results of the analysis of any occurrence of which it has been notified but in relation to which it has received no follow-up or only the preliminary results.

5. Where an organisation established in a Member State and certified or approved by the Agency identifies an actual or potential aviation safety risk as a result of its analysis of occurrences or group of occurrences reported pursuant to Articles 4(9) and 5(5), it shall transmit to the Agency, within 30 days from the date of notification of the occurrence by the reporter:

- (a) the preliminary results of the analysis performed pursuant to paragraph 1, if any; and
- (b) any action to be taken pursuant to paragraph 2.

The organisation certified or approved by the Agency shall transmit to the Agency the final results of the analysis, where required, as soon as they are available and, in principle, no later than three months from the date of notification of the occurrence.

The Agency may request organisations to transmit to it the preliminary or final results of the analysis of any occurrence of which it has been notified but in relation to which it has received no follow-up or only the preliminary results.

6. Each Member State and the Agency shall develop a process to analyse the information relating to occurrences which are directly reported to them in accordance with Articles 4(6), 5(2) and 5(3) in order to identify the safety hazards associated with those occurrences.

Based on that analysis, they shall determine any appropriate corrective or preventive action required to improve aviation safety."

Article 2

This Regulation shall enter into force on the eighth day from the day of its publishing in the “Official Gazette of the Republic of Serbia”.
